Peyton Bentley

I've been dancing at Becky's since I was 2 years old, and it has truly been my second home. Through dance, I've gained lifelong friendships, unforgettable memories, and lessons that will stay with me for years to come. I am so grateful for the teachers who have supported and encouraged me every step of the way, as well as my family for their endless support. In the fall, I plan to attend Iowa State University to major in Accounting. While I'm excited for this next chapter, Becky's will always hold a special place in my heart.

Aidan Segal

I have been dancing for 14 years and have been at Becky's for the past 12! Coming to the studio has been a second home for me. I'll forever cherish all the memories and friends I've made here and carry the lessons I've learned for the rest of my life. Thank you to my family, teammates, teachers, and everyone who's supported me. This fall I'll be starting a new chapter attending Arizona State to major in Health and life sciences.

Annabelle Logan

I've been dancing at Becky's for 11 years! Over the years, dance has become such a huge part of my life and has given me so many amazing memories, friendships, and opportunities. I'm so thankful for all of my teachers, teammates, and family who have supported me throughout my dance journey. I plan on attending DMACC in the fall to pursue nursing and get my masters!
