Delaney Baird

I am a graduate of PCM High School. I have been dancing since the age of 3 and have danced at Becky's for 2 years. I have been on my school's dance team all 4 years in high school. In the fall I will be attending Grand View University with an undecided major and a minor in Spanish. I will also continue dancing at Grand View. I am so thankful for the bonds I have made with so many people during my short time at Becky's! I can't thank everyone enough for making Becky's feel like a second home and being so welcoming. I will miss everyone so much and I am so thankful for my time at Becky's.

Kali Dennis

I am a graduate from Southeast Polk High School, and I plan to attend Iowa State University in the fall where I plan to major in design. I have been dancing at Becky's for the past 15 years, and I want to give a huge thank you to my amazing support at the studio. From some of my best friends to my wonderful teachers, I love you so much! Also, a big thank you to my family for everything you have done for me. Thank you to everyone who has given me such an amazing experience and so many memories! I will miss you all so much!!!!

Madisen Jackson

I am a graduate from Southeast Polk High School, and in the fall I plan to attend The University of Iowa to study accounting and finance. I have danced at Becky's for 14 years. During this time I've had the opportunity to be a part of the best dance family with the best teachers. I will always be thankful for the impact this studio has had on me. Thank you to everyone at Becky's for such a memorable 14 years, I love and will miss you all. I would also like to thank my family for supporting me through everything. I truly cannot believe how quickly it has come to an end, this studio will forever be like a second home to me.

Dancers
